TECHNICAL SKILLS

Languages: Java, C, C++, JavaScript

Frameworks/Libraries: React, Node.js, TailWind

Tools and Methodologies: Docker, Git, Agile, CI/CD

PROJECT EXPERIENCE

Umi – Task Management Web Application <https://umi-fpky.onrender.com>

September 2024 - December 2024

Project Manager

- Allocated tasks using a **Work Breakdown Structure (WBS)** to improve team coordination.
- Created a **project schedule** with defined milestones and deliverables.
- Built **task management features** via the **Notion API**, enabling users to add, edit, and delete tasks.
- Assisted in **debugging and issue resolution** to maintain smooth project progress.

Java Maze Game – Maze Game implemented with SpringBoot

September 2024 - December 2024

Developer

- Developed a **maze game** in **Spring Boot** using the **MVC architecture** for modularity and scalability.
- Implemented **RESTful APIs** for efficient **client-server communication** and game logic handling.

Sustainabull – Designed to encourage sustainable commuting through gamification

January 2025 - April 2025

Project Manager

- Managed a **4-person team**, planning and tracking project milestones for on-time delivery.
- Integrated **Geocode**, **Leaflet**, and **OpenRouteService APIs** to enable **interactive maps** and **real-time route generation**.
- Implemented **live location tracking** to enhance user engagement through **gamified features**.

WORK EXPERIENCE

STEAM and Tech Instructor

May 2025 - Present

Science Alive SFU <https://sciencealive.ca/>

- Delivered **STEAM and coding workshops** for elementary students, tailoring lessons to diverse learning needs.
- Coordinated with **teaching staff and program leads** to maintain engaging, well-organized camp sessions.

LEADERSHIP EXPERIENCE

Co-President

Software Systems Student Society <https://sfussss.org/>

May 2025– Present

- Direct a **15-person executive team** to plan and execute large-scale events, including **career fairs** and **hackathons**.
- Advocate for the **student body's interests** through collaboration with faculty, sponsors, and university partners.

Director of Events

May 2025 - Present

SFU Women in Computer Science <https://sfuwics.com/>

- Led the **planning and logistics** of social and community events **promoting inclusivity** for women and non-binary students in Computer Science at SFU.

EDUCATION

Simon Fraser University | Burnaby, BC

September 2023 - Present

Bsc. Computer Science - Software Systems
